

NOT SURE IF YOU ARE ON TRACK TO MEET THE NQF?

FEELING OVERWHELMED BY THE REQUIREMENTS? NOT SURE WHERE TO START?
EYLF EXPERT AND AUTHOR DR BRENDA ABBEY CAN ASSIST YOU AND YOUR TEAM TO MEET
AND IMPLEMENT THE NQF REQUIREMENTS

In a little over three months, the National Quality Framework (NQF) will be implemented across the Australian early education and care sector. From 1 January 2012, childcare services will be expected to meet the new requirements with the exception of some of the changes to educator: child ratios and educators' qualifications.

Some services will find the task of identifying and making the changes required to the learning environments, their practices and documentation more difficult than others.

To make the task easier, simply book a workshop or a mentoring session with Dr Brenda Abbey of Childcare by Design.

Brenda is highly regarded as an industry expert and has presented at conferences and conducted workshops across Australia, published articles on the Early Years Learning Framework (EYLF) and National Quality Standard (NQS) in sector journals and magazines, and co-developed resources on the EYLF which are used in services and by universities, TAFEs and RTOs.

Brenda can help your centre by:

- explaining the requirements of the EYLF, NQS and national regulations in clear and simple terms.
- identifying the specific changes (e.g. practices, documentation, physical environment, resources) services will need to make to meet these requirements.
- build on what your educators already know and do well.
- leave you and your team feeling confident that you know what to do and how to do it.

Brenda has co-developed the following resources which are also available via www.childcarebydesign.com.au

- DVD EYLF: *Putting it into practice*
- DVD EYLF: *Programming and documentation made easy*
- EYLF Terminology Poster Pack
- My Time, Our Place Terminology Poster Pack (for OSHC)

Note: Your service may be eligible for the LDC NQF Transition Support One-Off Grant of up to \$5 000.00 (GST Excl) for training or professional development, modifications to the physical environment or purchase of equipment and resources etc to help you meet the requirements of the NQF. Details of this recently released grant and the names of all services eligible to apply can be obtained from www.deewr.gov.au/Earlychildhood or from 1800 181 088

**TO BOOK simply contact Dr Brenda Abbey on 0419 661 921 or email:
